# Assembly Instructions

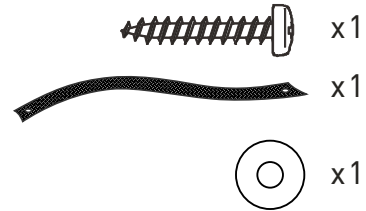

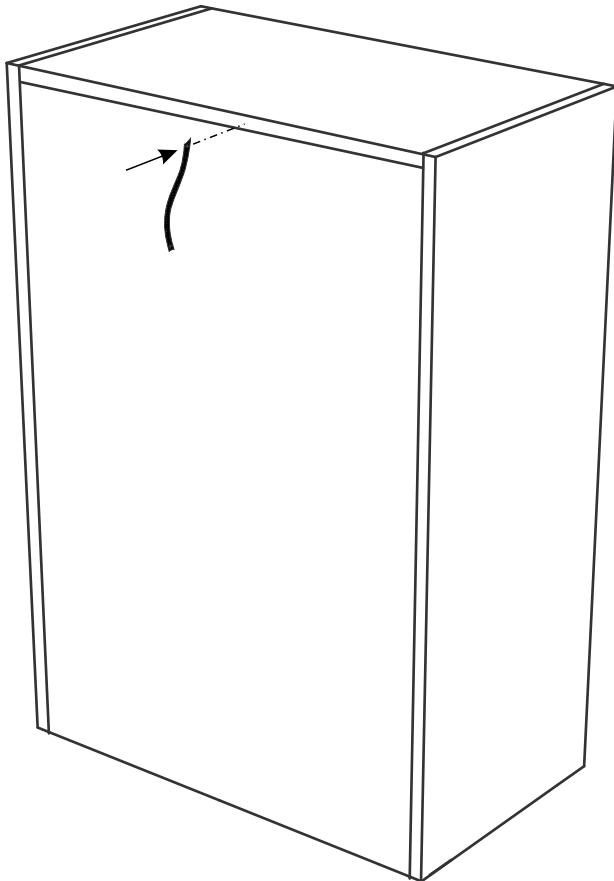

please keep safe for future reference

Before assembling the furniture please identify all component parts.  
It would be sensible to assemble the furniture as close to its final position as possible.  
Do not place furniture directly in front of radiators, fires or any other source of heat.  
Ensure the surface on which you are assembling the furniture is flat and clear of anything that might scratch it.  
Check all packaging carefully for hardware and parts before discarding it.

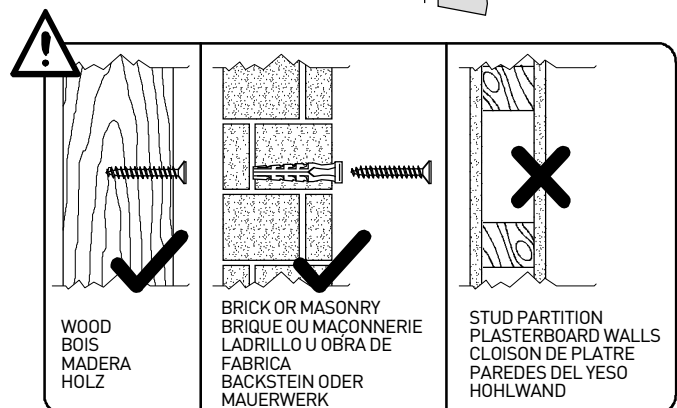

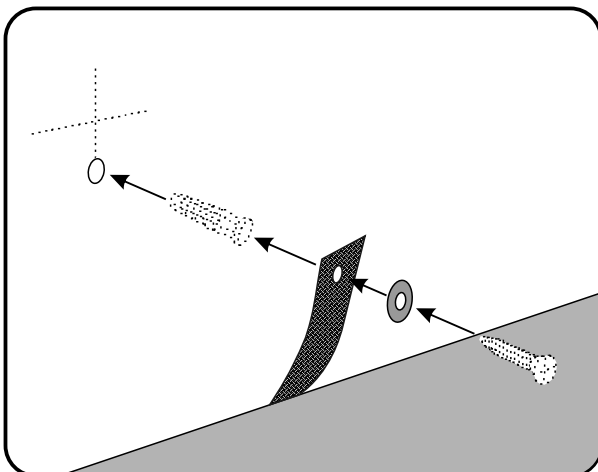

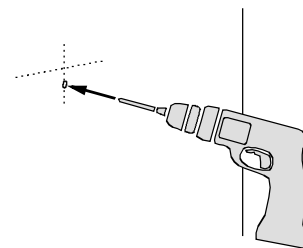

# FIXING TO WALL

It is recommended that for safety this product is attached to the wall using the anti-topple wall strap kit provided.

## WARNING!

The wall fittings supplied with the anti-topple wall strap kit only contains the screw for attaching the wall strap to the back of the unit. Due to the different types of walls our customers could have we have not included the screw and wall plug for attaching the wall strap to the wall. You should seek advice from a professional builder or a good hardware store to find out which type of screw and wall plug are suitable for your particular wall. Before drilling into your wall please remember to ensure there are no hidden pipes or cables in the wall.

## Care Instructions

---

### Cleaning of Solid Timber / Veneers and Lacquered Surfaces.

Any spillage should be removed immediately by using a damp cloth, then wiping dry the surface with a clean dry duster. Repeat this procedure for periodic cleaning. The use of furniture polishes or sprays is not necessary or recommended.

### Cleaning of Melamine, Laminate, Linoleum and Metal Surfaces.

Regular dusting with a dry cloth will keep your units clean. However, to remove stubborn stains, wipe over with a damp cloth and washing up liquid. To clean chrome, stainless steel or glass surface, we recommend the use of proprietary cleaners. Always follow the cleaning fluid instructions carefully
